

1     **Report of the Mediatorial Kingship of Jesus Christ Study Committee**

2     Your committee met once after the 2015 meeting of Synod (Oct, 2015). The committee  
3     continued to study topics for greater clarity in understanding and direction. If Synod

5     meet again this fall. This committee has benefited from your interactions and you are  
6     encouraged to continue sending questions and topics to be considered. Thank you.

7     **Recommendations:**

8     1. That Adam Kuehner be added to the committee.

9     2. That the committee be continued.
